

NDIS PHYSIOTHERAPY SERVICES

Our Clinics are best placed to provide affordable, quality care to NDIS clients in the Kwinana and Cockburn areas.

FREE ASSESSMENT + TREATMENT PLANNING

We offer a **free** initial assessment session for all NDIS clients. This includes:

Subjective assessment

- Current symptoms, functional ability, client goals and psychosocial status.

Objective assessment

- Range of motion, strength, neurological testing, functional tasks and more

Treatment plan

- Proposed physiotherapy management plan and costings.
- Developed in partnership with the client and the Local Area Coordinator to best suit the needs of all parties.

Note: We are more than happy for Local Area Coordinators to attend initial assessment and treatment planning sessions with their clients.
